Past Event Report

About Past Event:

The **World Conference on Breast Cancer and Therapeutics** took place in **Dubai, UAE** from **November 30 to December 01, 2023** under the theme **"Congregation of the Recent Revolution and Medicaments of Breast Cancer"**. It was a masterfully planned gathering of distinguished speakers, each contributing their knowledge to give participants a wealth of knowledge about the most recent advancements in the treatment and diagnosis of breast cancer.

We express our gratitude to the panel presenters and speakers for addressing crucial topics in breast cancer education. A heartfelt thanks goes out to the attendees who actively participated in valuable discussions, sharing diverse perspectives from across the country.

The conference commenced with an engaging opening ceremony, setting the tone for Keynote Sessions. Subsequently, a series of lectures, both oral and poster presentations, were delivered by Honorable Guests and members of the Keynote forum. A special acknowledgment is extended to our moderators, whose efforts laid the foundation for the event's success. Their role in facilitating discussions and ensuring the smooth flow of the conference is deeply appreciated. On Day 01 of Breast Cancer Congress 2023, we were honored to have Pramod Kumar Avti from the Post Graduate Institute of Medical Education and Research (PGIMER), India as the esteemed moderator. His leadership contributed significantly to the success of the day's events. Proudly on Day 02, the proceedings were led by the honorable moderator Marjan Sadough from Envision Radiology, USA. Her expertise and guidance played a crucial role in shaping the discussions and outcomes of the second day of the conference. We extend our gratitude to both moderators for their valuable contributions. Their invaluable contributions in the form of highly informative presentations elevated the conference to new heights, making it truly exceptional. Special thanks go to our media partners for their instrumental role in promoting our event and bringing it to the forefront. Over the course of the two-day event, a robust foundation for future strategies in this field was established. Our sincere appreciation extends to the Organizing Committee and speakers for their encouragement and unwavering support, propelling the conference to the pinnacle of success.

PAST CONFERENCE GALLERY

Venue

GRAND MERCURE BANGKOK ATRIUM

1880 New Petchburi Road, Bangkok Huay Kwang, Bangkok, 10310 Thailand

In the vibrant heart of Thailand lies Bangkok, a city that pulses with the energy of a non-stop celebration, seamlessly blending a tapestry of diverse cultures and religions. Here, the tranquility of temples and monasteries coexists harmoniously with the majestic presence of towering skyscrapers. Wander through the lively street bazaars and navigate the enchanting floating markets, all while luxurious shopping malls and bustling purchase centers beckon in competition. Thailand, the 12th largest country in Asia, sprawls across more than 198,000 square miles, hosting a population of 67.9 million. Bangkok, as one of the world's premier tourist destinations, magnetically draws in the majority of foreign visitors. The country experiences the dance of both summer and winter monsoons, a climatic rhythm orchestrated by its strategic location between vast expanses of land and water. Welcome to a dynamic fusion of tradition and modernity, where Bangkok's allure captivates all who venture into its eclectic embrace.

Embrace the enchantment of November in Bangkok, Thailand, as the city emerges from the veils of the rainy season, unveiling a delightful transformation. Shedding its stifling summer heat, the weather becomes a perfect symphony of warmth and comfort. It's a season when the city transitions into beach bliss, inviting you to relish the inviting waters boasting an average temperature of around 29°C.

Bask in the glow of eight hours of daily sunshine, where temperatures gracefully dance between 24°C and 31°C. It's a welcomed respite, especially for those seeking refuge from the biting cold of London. November in Bangkok unfolds as a harmonious interlude, offering a golden opportunity to indulge in the city's charms without the extremes of weather, making it a truly enjoyable escape.

Event at a Glance

November 28, 2024 - Thursday

Session

Registrations
